

## Using the Exhibitor Hub

The Exhibitor Hub is the new one-stop portal for all important exhibitor resources.

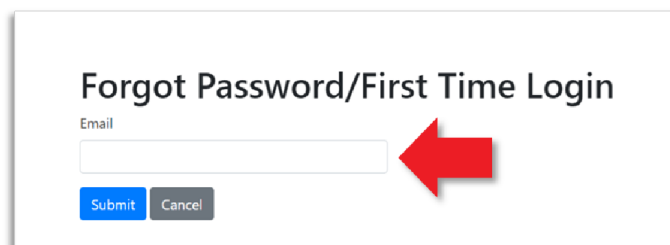

- Update company description and select categories.
- View checklist, deadlines, important links.
- Access key resources, including:
  - Rules and regulations
  - Exhibitor Approved Contractor (EAC) Form
  - Insurance requirements
  - Exhibitor Service Manual

## First time login instructions

- Go to: <https://advancedtextilesexpo2025.smallworldlabs.com/home>
- Click Login
- Click Forgot password

- Enter the email on file with show management. Your company's Expo Primary Contact, Expo Secondary Contact, and Expo Invoice Contact (entered when reserving booth online) all have access. *Unsure which email is used? Contact [events@textiles.org](mailto:events@textiles.org).*
- Email will be sent from [admin@smallworldlabs.com](mailto:admin@smallworldlabs.com) with the subject "Reset Your Password" *Please note this may take several minutes for you to receive your link.*
- Click Reset Password link in email to securely set your own password for the Exhibitor Hub portal.

## Once logged in

- Click “EXHIBITOR HUB” in the top navigation to take a tour for a step-by-step overview of the portal.
- Click [Edit] next to your company name to update your profile information.
- Complete tasks and review important links.

What We Do: ATA is a member-owned, member-driven trade association representing the advanced textiles and specialty fabrics industry. We invest more than \$8 million each year to advance the industry and support member companies. ATA provides events, publications, education, networking, business resources, industry advocacy and more. We work with members to provide sourcing solutions and referrals throughout the sales and production cycle. We deliver timely industry content to help you stay informed about your marketplace. Our divisions provide market-specific activities and benefits to members.
